Description of the Dance "POP GOES THE WEASEL".

Sheet music for two staves, treble and bass, in 6/8 time. The first staff (treble) starts with a dynamic 'p' and ends with 'f'. The second staff (bass) starts with 'p' and ends with 'V.S.'. The title 'N^o 409. Musical Bouquet.' is at the bottom left, and the description 'Description of the Dance "POP GOES THE WEASEL"' is at the bottom right.

This spirited Dance bearing the title of "POP GOES THE WEASEL" is now become very popular amongst the fashionable circles of society, and is performed in a similar manner to the COUNTRY DANCE, partners being placed in rows facing each other.

The first Lady and Gentleman commence the figure and advance within the row and retire, each time occupying 4 bars of the Music—then outside the row, returning again within the same time—then a circle of three, with one of the partners nearest to them on the row, turning once round to the right and to the left, after which the one they have taken has to pass hastily under their arms to his partner, all exclaiming at this moment "POP GOES THE WEASEL"—they then turn sharply to the other row, repeating the figure with the nearest couple on the right and left, and when they have passed three or four couples the partners at the top commence and repeat the same figure, every couple remaining in their turn doing the same.

It will be understood that having passed the third or fourth couple, it is unnecessary to go to the top, to proceed to the outside of the row, for this is accomplished by breaking through at the place opposite which they may be.

A continuation of the musical score from the previous page. The top staff shows a melodic line with a dynamic of 'ff' followed by lyrics: 'Gres Pop goes the Wea sel.' The bottom staff provides harmonic support with sustained notes and chords.
