FIRST PART. — FIRST FIGURE. Count (One and Two, Three, Four) ^{1 1/2 1/2 3 4} twice. **POSITION.**—Partners face forward, viz: gent will take lady's right hand placed behind her at the hip, with his right, and her left in front with his left hand. Proceed as follows: Mazurka step, hop or plain, forward with left foot, (lady the same), to 4th pos. (1 count), follow up in quick succession with right to 3rd pos. (1/2 count). Forward with left to 4th pos., throwing weight of body on same (sliding, if plain, stepping if hopped) (1 count). Repeat same movements, continuing forward with right foot.

SECOND PART. — FIRST FIGURE. SIDE MOVEMENT.—Retain same position, with exception that gent will slide right foot backward quickly, pointing left foot to left. 2nd pos., which will place the gent almost behind the lady, a little to the left. Glide sidewise to left (4 times), counting one to each glide (adhere strictly to 2nd and 3rd positions) and on the 4th count throw weight of body on right foot, making a rocking step, placing the body in position to glide to the right, consuming the next (4 counts) same as with the left. Forward again repeating all foregoing movements throughout, with the exception of, when completing the side movement, (after gliding to left), glide to right three times only, thereby making an appropriate finish.

SECOND FIGURE. The introduction of 2nd figure constitutes a courtesy (gent saluting lady, which she acknowledges by courtesying). **POLKA MOVEMENT.**—**POSITION.** Face forward, gent taking lady's left hand slightly elevated, Polka, forward twice, first with left, then with right foot, viz: Forward with left (lady the opposite) to 4th pos.
