ARGENTINE TANGO

Almost anyone will admit that dancing is an art, but in truth it is really all arts in one; it is music incarnate, it is the poetry of motion.

Real dancing means graceful measures tripped to lilting rhythm of fine music. To such dancing is our present Tango craze leading us.

It is a bit of irony of fate that the Tango and other modern dances are the subjects of so much adverse criticism, when in reality they are the pathfinders, the pioneer dances of a new era of charming steps.

The aim of these booklets is to establish a standard of modern dancing which will demonstrate that these dances can be made graceful, artistic, charming, and above all refined.
