## THE MAXIXE (Circle Steps)

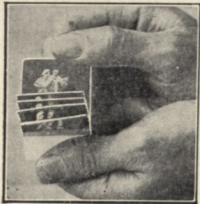

The gentleman raises lady's hands above head, forming a circle, girl pivots single stepping to each count of the music, which brings her into position facing partner. Then repeat.

This book shows the dance in actual motion, and will give you the correct position and movement for every step.

There are other variations of The Maxixe, which are shown in Booklets D, E and I of this series.

# Directions for using the FATIMA Moving Picture Dance Book

Patent Dec. 18, 1906: Copyright 1914. Fatima Cigarettes

Hold firmly between thumb and first two fingers of left hand, snapping pages with thumb of right, letting pages flip forward about 10 to the second.
